

## Religious Education Registration Form 2011-2012 Second Unitarian Church of Omaha, NE

**Regular attendance makes a real difference in your child's religious education. It helps your child establish friendships and provides a sense of community and teachers alike. If your child cannot attend regularly, please let the DRE know. Also, it is highly recommended you be on the church premises while your child attends class. If this is not possible, please contact the DRE to make proper arrangements.**
